Macy Divens Receives P.E.

READING, PA - [Entech Engineering, Inc.](http://EntechEngineering.com) (Entech), is pleased to announce Macy Divens' promotion to Project Engineer following her successful completion of the Professional Engineer's exam for Pennsylvania.

Macy joined Entech's team in 2020 and works out of our Pittsburgh office. Her responsibilities include providing client management services to our Western PA clients, project management for water and wastewater projects and engineering design.

Macy said of this accomplishment:

"It has been a personal goal to obtain my Professional Engineering license since I began my career. I want to thank Entech, my coworkers, and my loved ones for their support, as they all played a huge role in this achievement."

Entech's Executive Vice President, Bryon Killian, PE, shared:

"We are delighted to have Macy on our team and are thrilled to celebrate this career milestone with her. This accomplishment will help Entech to better serve our clients in Western PA."

About Macy:

Macy earned a Bachelor of Science in Chemical Engineering from The University of Pittsburgh. Macy resides in the Pittsburgh area. Outside of Entech, Macy is an avid runner and enjoys weightlifting, pottery, reading and crocheting.
