### **Project Manager Joins Entech's Pittsburgh Office**

Reading, PA - Entech Engineering, Inc. (Entech) is excited to announce the recent hiring of Sherri Jeffers to our team as a Project Manager. Sherri brings nearly 20 years of water, wastewater, and stormwater experience to the team. Sherri will be based out of our Pittsburgh (Moon Township) office, providing hand-on assistance and project management to our growing number of clients in the region.

Entech's Vice President and Civil/Environmental Resources Manager, Robert Weir, PE, said about Sherri's addition:

*"Sherri is a welcomed addition to our company. She has been involved in a wide variety of projects over her career that have built a solid foundation of knowledge and a great reputation that we are excited to bring to Entech and our clients in the region."*
