## Sattler Elected to Board of Directors

**READING, PA** – Entech Engineering, Inc. (Entech), an employee-owned engineering company headquartered in Reading, PA announced that Tanner Sattler, PG has been elected to Entech’s Board of Directors. Tanner joins 4 existing board members, Entech President, Jeffrey Euclide, PE, Executive Vice-President, Robert Weir, PE, Bryon Killian, PE and Cathy Montano, PHR. Tanner joined Entech in 2009, became a principal at Entech in 2014 and currently leads Entech’s Oil and Gas business unit.

Company President, Jeffrey Euclide, PE, is eager for his perspective saying:

*“Our shareholders appreciate Tanner’s leadership and I look forward to having his voice and perspective within our Board of Directors”*

Tanner Sattler, PG

Tanner looks forward to stepping into this new role saying:

*“I am humbled by the original nomination and appointment to Entech’s Board by our shareholders. I am very eager to work with my fellow Board Members to ensure that Entech continues to be a great company for clients and employees alike. This is a unique opportunity continue to grow as a leader in a whole new way, and to give back to a company that has given so much to me and my family.”*

### **About Tanner:**

Tanner is a registered Professional Geologist in Pennsylvania. He holds a B.S. in Earth Science from The Pennsylvania State University, and an M.S. in Geology from West Virginia University. He has over 11 years of experience in the oil and gas industry.

Tanner’s other interests include spending time with his fiancé, Jennifer Neglia, his 12-year-old son, Jack, and 18-year-old daughter, Madison, and downhill skiing, as well as hiking and hunting during the fall.
