Entech Recognized Again as A Best Place to Work in PA

Reading, PA - Entech Engineering, Inc. (Entech) is pleased to announce the company has been ranked #15 in the list of Best Places to Work in Pennsylvania for 2021. The awards program is a public/private partnership between Team Pennsylvania Foundation, the Pennsylvania Department of Community and Economic Development, the Pennsylvania State Council of the Society for Human Resource Management, and the *Central Penn Business Journal*. Entech was also ranked #15 the previous year and this is the third year being featured on the list.

On hearing the news of the award, Entech President, Jeffrey C. Euclide commented,

“PA Best Places to Work has recognized Entech Engineering, Inc. as one of the best places to work in Pennsylvania for the third year in a row! Based on a detailed employee survey, PABTW ranked Entech #15 for medium sized companies in 2021. I want to thank our awesome team of employees for making Entech a terrific place to work.”

Companies from across the state entered the two-part process to determine the 100 Best Places to Work in PA. The first part of this process was evaluating each nominated company's workplace policies, practices, philosophies, systems and demographics. This part of the process was worth approximately 25% of the total evaluation. The second part consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 75% of the total evaluation. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process.
