Entech Welcomes Josh Williams

Reading, PA- Entech Engineering, Inc (Entech) is pleased to announce the recent hiring of Josh M. Williams to our team as an Architectural Facilities Analyst in the Facilities Planning and Design Group.

Josh brings over five years of experience in facilities management to our planning group. At Entech Josh will primarily focus on Facility Condition Assessments covering Architectural and MEP systems components.

Lenette Wells, AIA, Principal of the Facilities Business Unit, is pleased to have Josh on board, saying,

“Josh’s background working as the Operations & Facilities Manager at Albright College brings an amazing end user perspective to our team. His skills and eagerness to further his education will broaden our ability to help our clients make improvements to their facilities.”

About Josh:

Josh graduated from Temple University with a degree in Architectural Facilities Management and spent several years working in Philadelphia. Josh hails from the Allentown area. He is currently working on earning a business degree from Albright College. When Josh can find some spare time he likes to woodwork and hike.
