## **Killian Elected to Board of Directors**

**READING, PA** – Entech Engineering, Inc. (Entech), recently announced Bryon Killian has been elected to Entech’s Board of Directors. As an employee-owned company, Entech shareholders elect board members annually. Bryon joins the five-member Board of Directors which is anchored by the President and Chairman of the Board, Jeff Euclide, PE, and Executive Vice-President, Robert Weir, PE.

Bryon leads Entech’s water and wastewater business development, marketing, and client satisfaction initiatives. Bryon became a Principal at Entech in 2013, after joining Entech in 2002.

Company President, Jeff Euclide, PE, is eager for his perspective saying:

*“Bryon’s perspective on business development and client relationships, as well as his perspective as an employee who is based outside of Berks County, will be an important contribution to our Board as we continue to grow our staff and expand our company’s footprint. Our Board of Directors is responsible for setting the direction of the company and assuring our Leadership Team (the principals) is accountable for successfully managing the company. I congratulate Bryon for being chosen by his fellow shareholders for this important role.”*

Bryon Killian looks forward to stepping into this new role:

*“I am humbled by this appointment and am very eager to help ensure with my fellow Board Members that Entech continues to be a great company for clients and employees alike and stays on our upward trajectory.”*

### **About Bryon:**

Bryon is a registered Professional Engineer in Pennsylvania as well as a Certified Wastewater Operator. He holds a B.S. in Environmental Engineering from The Pennsylvania State University. He has over 16 years of experience in wastewater and stormwater engineering.

Bryon’s other interests include spending time with his wife of 18 years, Jan, his 10-year-old son, Bryon II, and training Brazilian Jiu-Jitsu with his son and golfing.
