## Regional Director Joins Entech

Reading, PA - Entech Engineering, Inc. (Entech) is pleased to announce the recent addition of Robert L. Horvat, Jr., P.E. to our team as the Regional Director of our Pittsburgh, Pennsylvania office, as well as Project Manager to further assist our clients. Rob is a welcomed addition and strengthens our team and presence in western Pennsylvania.

Rob brings nearly 25 years of industry experience in the municipal, water, and wastewater fields, including operations, applications, and engineering. His unique perspective ensures that our clients' challenges will be viewed from a myriad of angles, resulting in unique solutions to help our clients make informed decisions.

Entech's Vice President and Civil/Environmental Resources Manager, Robert Weir, P.E., said about Michael's addition:

*"We're excited to have Rob join us and continue to build Entech's presence in the Pittsburgh area, as well as throughout the Commonwealth. We know with his great attitude and experience, he will do great things."*

Rob is a graduate of Point Park University with a B.S. in Civil Engineering Technology, and holds an Associate Degree in Design Technology from the Art Institute of Pittsburgh.

### **About Entech:**

Our engineering, consulting, and architectural teams help clients make more informed decisions as they invest in their facilities and infrastructure. From our six offices, we employ over 100 professionals who serve customers in the municipal, higher education, manufacturing, and oil & natural gas markets.
